MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Bruce Merkle, Administrative
Assistant to Representative William G. Bray

In meeting with Mr. Bruce Merkle today, he loaned me a copy of a book, "The Secret Services of Europe" by Robert Boucard published by Stanley, Paul & Company, Ltd. of London in 1940. Mr. Merkle advised that he had received this book from the Library of Congress and in going through he noted that margin notes had been made indicating names of individuals where the text had left a blank or described an individual by occupation. Mr. Merkle felt that it might be of interest to some of our people. I thanked him and advised that I would return the book.
